## **The Shapeshifters** Stefan Spjut

“A fantastic novel in every sense of the word...not only because Spjut has accomplished the masterstroke of writing convincingly about the existence of trolls and other mythical creatures in the Nordic forests, but also because all this unfolds in a language that captures the everyday reality we know so well, with such precision and exquisite style that the words seem to sparkle on the page.”

—Karl Ove Knausgård

"A fun, cunning crime thriller...If you enjoy the novels of Michael Koryta or Tana French's *The Secret Place*...you might eat up *The Shapeshifters*."

—*Chicago Tribune*

Summer 1978. A young boy disappears without a trace from a summer cabin. His mother claims he was carried away by a giant. He is never found.

Twenty-five years later, another child goes missing. This time there's a lead, a single photograph taken by Susso Myrén. She's devoted her life to the search for trolls, legendary giants known as stallo who can control human thoughts and assume animal form. Convinced that the trolls are real, she follows the trail of missing children to northern Sweden. But humans, some part stallo themselves, have been watching over the creatures for generations, and this hidden society of protectors won't hesitate to close its deadly ranks. Mixing folklore and history, suspense and the supernatural, *The Shapeshifters* is an extraordinary journey into a frozen land where myth bleeds into reality.

“Spjut turns Scandinavian mythology upside down in a shades-of-gray world built for lovers of fantastical suspense.” —*Publishers Weekly*

### From reader reviews:

#### **Phillip Patten:**

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each guide has different aim or perhaps goal; it means that book has different type. Some people sense enjoy to spend their the perfect time to read a book. They are reading whatever they have because their hobby is actually reading a book. How about the person who don't like examining a book? Sometime, man or woman feel need book once they found difficult problem or perhaps exercise. Well, probably you should have this The Shapeshifters.

#### **Carla Arbogast:**

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question simply because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this specific The Shapeshifters to read.

#### **David Colon:**

Playing with family in the park, coming to see the sea world or hanging out with buddies is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Shapeshifters, it is possible to enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its referred to as reading friends.

#### **Jamie Norman:**

In this time globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The particular book that recommended to you personally is The Shapeshifters this e-book consist a lot of the information from the condition of this world now. That book was represented so why is the world has grown up. The dialect styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. Honestly, that is why this book suited all of you.
