The Sheik's Love Child Elizabeth Lennox

From bartender to royal lover in less than a day....

When she'd reported to work, Dani had no idea she'd share a passionate night with the man of her dreams. But when that man turns out to be the crown prince of one of the wealthiest countries in the world, she's horrified. Unfortunately, she might also be pregnant with the heir to that throne.

Kalil Asidua Benoit, Sheik of Asham, is entranced by the delicate beauty he's found in Dani but knows that their relationship can go no further than their one night of passion. He's dumbfounded though when his expensive gift of thanks is rejected. And further intrigued when she refuses to become his mistress. Unable to work around her objections initially, he's gratified when he discovers that the woman he can't seem to do without, is pregnant with his heir. That fact allows him to "protect" her and bring her to his country.

Dani is furious when she's abducted but can't resist whenever Kalil touches her. She can't protect her heart or her body from his onslaught of charm and passion but will he take care of the gift of her love? Or treat it as he does any of his other possessions?
