Jen Mace and her new friend Mike Steward learn that magic can happen when you least expect it. And though it is very exciting, it can also be dangerous.

Jen has just moved to Brooklyn. She misses the woods and fields of her old home. But while walking in Prospect Park one day, she meets Mike. Together they are fascinated with the older gentleman who is always surrounded by birds and seems to appear and disappear quite suddenly.

For decades, Ruth Chew's books have enchanted early readers with the thrill of magic in their own lives. Now these magical tales are once again available to cast their spell on a new generation of fans.
