Crazy Horse: The Strange Man of the Oglalas, A Biography Mari Sandoz

...But most often they talked of the battles in what the whites called the Sioux wars, from that climactic summer day on the Little Big Horn all the way back to the beginning, when, in 1854, the young Grattan with a few soldiers, a drunken interpreter, and two wagons guns foolishly pushed his way into a peaceful Sioux encampment and never came out again. As I listened to these stories it seemed that through them, like a painted strip of rawhide in a braided rope, ran the name of one who was a boy among the Oglalas the day the chief of his people was shot down. He must have been twelve then, quiet, serious, very light-skinned for an Indian, with hair so soft and pale that he was called Curly or the Light-Haired Boy. But by the end of those wars, twenty-three years later, he was known as the greatest of the fighting Oglalas, and his name, Crazy Horse, was one to frighten the children of the whites crowding into his country, and even the boldest warriors of his Indian enemies, the Snakes and Crows." Mari Sandoz
