For the 2015 Mets, A Season to Savor The New York Times

This e-single, a compilation of articles from The New York Times, chronicles the Mets' dramatic run to the 2015 World Series.

The team started off strong, winning 11 games in a row in early April and tying a franchise record for consecutive wins. The Mets ended the month in first place in their division. But by the end of May, the Mets had relinquished their lead to the Washington Nationals, a team that many had expected to win the division. After acquiring Yoenis Céspedes, the Mets went on a hot streak in August and by the end of the month they were back in first place and 6.5 games ahead of the Nationals.

In the playoffs a remarkable performance by Daniel Murphy made the team look unstoppable as they cut down the Dodgers and the Cubs. Then came a bizarre World Series in which closer Jeurys Familia pitched five innings, allowing three hits with no walks, no hit batters and no wild pitches. Yet he became the first pitcher in history with three blown saves in a World Series.

The Mets are optimistic about the 2016 season, thanks to their stable of young starters: Matt Harvey, Jacob deGrom, Noah Syndergaard, Steven Matz and Zack Wheeler.

"It's not just talk anymore," David Wright said. "We've proven we can be a World Series contender. It's going to be a confident feeling going into spring training and something we can rally around and say, 'We were close last year; let's do it this year.' "
