Introduction to American Law (Carolina Academic Press Law Casebook)

Gerald McAlinn, Daniel Rosen, John P. Stern

Introduction to American Law (Carolina Academic Press Law Casebook) Gerald McAlinn, Daniel Rosen, John P. Stern

The second edition of this book has been updated to cover essential developments in case law, as well as other important changes in American law, during the last five years. The fundamental rules, court cases, concepts and trends of each key subject in American law are presented in a narrative tailored to the reader without an American legal background. Each chapter covers a major area of law, summarizes the leading doctrines, analyzes recurring, current and developing trends, highlights areas of contemporary debate, offers streamlined versions of precedent-setting cases, raises questions for further discussion, and lists important vocabulary words. This book is ideal for readers who want to understand the contemporary American legal system at a more than superficial level, but who are not currently studying to become American lawyers. The style, organization and content make the book attractive for such readers as those planning on entering law school; paralegal assistants; students of American law outside of the United States; American undergraduates taking a course in American law and/or in a pre-law program; and graduate level students in subjects other than American law. The size, weight and price of the book are tailored to make the book attractive to students.

Suk Barry:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Introduction to American Law (Carolina Academic Press Law Casebook) can make you really feel more interested to read.
