Thomas Hardy

Tess of the D Urbervilles (BBC Radio 4 Dramas) Thomas Hardy

Etched against the background of a dying rural society, Tess of the d'Urbervilles was Thomas Hardy's 'bestseller,' and Tess Durbeyfield remains his most striking and tragic heroine. Of all the characters he created, she meant the most to him. Hopelessly torn between two men—Alec d'Urberville, a wealthy, dissolute young man who seduces her in a lonely wood, and Angel Clare, her provincial, moralistic, and unforgiving husband—Tess escapes from her vise of passion through a horrible, desperate act. "What a commonplace genius he has; or a genius for the commonplace—I don't know which." -D. H. Lawrence "Hardy is possessed of the conviction that a novel is not a toy, nor an argument; it is a means of giving truthful if harsh and violent impressions of the lives of men and women. . . . In every book three or four figures predominate, and stand up like lightning conductors to attract the force of the elements. . . . In short, nobody can deny Hardy's power--the true novelist's power--to make us believe that his characters are fellow-beings driven by their own passions and idiosyncrasies, while they have--and this is the poet's gift--something symbolical about them which is common to us all." -Virginia Woolf
