Stella Carey exists in a world of night. Married to a war veteran who has returned from Afghanistan brutally injured, she leaves the house each night as Vincent locks himself away, unable to sleep due to Post Traumatic Stress Disorder. During her nursing shifts, Stella writes letters for her patients, detailing their final wishes, thoughts and feelings - from how to use a washing machine, to advice on how to be a good parent - and posts them after their death. That is until Stella writes one letter that she feels compelled to deliver in time, to give her patient one final chance of redemption...We Are all Made of Stars is an uplifting and heartfelt novel about life, loss and what happens in between from the Sunday Times bestselling author of The Memory Book.
