Armies of the Silver Mage (History of Malweir, Book One) Christian Warren Freed

Malweir was once governed by the order of Mages, bringers of peace and light. Centuries past and the lands prospered. But all was not well. Unknown to most, one mage desired power above all else. He turned his will to the banished Dark Gods and brought war to the free lands. Only a handful of mages survived the betrayal and the Silver Mage was left free to twist the darker races to his bidding. The only thing he needs to complete his plan and rule the world forever are the four shards of the crystal of Tol Shere. Having spent most of their lives dreaming about leaving their sleepy village and travelling the world, Delin Kerny and Fennic Attleford never thought that one day they would be forced to flee their town in order to save their lives. Everything changes when they discover the fabled Star Silver sword and learn that there are some who want the weapon for themselves. Hunted by a ruthless mercenary, the boys run from Fel Darrins and are forced into the adventure they only dreamed about. Ever ashamed of the horrors his kind let loose on the world the last mage, Dakeb, lives his life in shadows. The only thing keeping him alive is his quest to stop the Silver Mage from reassembling the crystal. His chance finally comes through the hearts and wills of Delin and Fennic. Dakeb bestows upon them the crystal shard, entrusting them with the one thing capable of restoring peace to Malweir.
