Heaven is real for all of us - check back often as Hope, Aimee, and their Spirits are currently releasing a new book every month

Heaven does exist - and there's light at the end of the tunnel. Hope's daughter Aimee regularly travels to heaven and back. Amazon Bestselling Author Hope R. Reynolds' most comprehensive book to date has finally been released. How old are we in heaven? Where do we live? What do angels do? What do we do in heaven? What does it look like? I lost my loved one - what do I do now? All of these questions and more are covered in *Heaven: There's Light at the End of the Tunnel*. Psychic Hope Reynolds and her incredibly talented daughter Aimee reveal all of the information that you've always wanted to know - straight from the Source. This book expands upon the best seller *What is Heaven?* and *What is Heaven II* by the same author. It is Hope's longest book to date at just under 13,000 words. Also, check out Hope's newest releases *Earth Angel*, *Heaven is Real for All of Us*, *Real Heaven*, and *Heaven: Through Pearly Gates*.

Hope's daughter, Aimee was born in the Year 2000. When she began telling vivid stories of heaven and speaking with angels, her mother was surprised. One day, Aimee pointed at a large round clock up on the wall about thirty feet away. The hands on the clock immediately began spinning forward. With a flick of her wrist, the hands on the clock changed direction and started whirling backwards. Aimee looked at her mother and asked, "Do you believe me now, Mommy?"

A portion of the proceeds from all of Hope's books goes towards purchasing flocks of chickens and geese through Heifer International to give to families in poverty-stricken villages around the world. Thank you!

A Special Note from Hope: After reading this book, if you'd like to read the next three books all at once, check out *The Heaven is Real Trilogy*, which includes *Earth Angel*, *Heaven is Real for All of Us*, and *Real Heaven*.
