Only Mind Matters: Emerging From the Waters of Symbolic Meaning Jim Young

Body, Mind & Spirit Couches in the language of metaphysical fiction, ONLY MIND MATTERS: Emerging From the Waters of Symbolic Meaning forms the fourth contribution to Jim Young's MY SPIRITUAL AWARENESS SERIES. The main character that speaks all through this series, metaphysician Christo Sahbays, collaborates with his sterling colleagues in unveiling those illusions of thought that seemingly choke meaning from Life. Using various stories and Life experiences, they rend the veil that clouds the real meaning found in everyday experience. And their metaphorical translation of personal names brings new meaning to the various facets of mind. Through this intriguing metaphysical examination participants are led to new perceptions regarding issues such as war, death, prosperity, prejudice, dreams, Spiritual telepathy, duality, politics and government, the environment and health care, and even homosexuality. If you are looking at ways of getting beyond that which seems to stifle your dreams, then this is the book for you.
