Putting Out of Your Mind Bob Rotella

This old adage is familiar to all golfers but is especially resonant with Dr. Bob Rotella, the bestselling author of *Golf Is Not a Game of Perfect* and one of the foremost golf authorities today. In *Putting Out of Your Mind*, Rotella offers entertaining and instructive insight into the key element of a winning game—great putting. He here reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill.

Much like *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, *Putting Out of Your Mind* is an informative and valuable guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can drive the ball farther, Rotella encourages them to concentrate on their putting—the most crucial yet often overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it, and mastery can only begin with the understanding of the attitude needed to be a better putter. Rotella's mental rules have helped some of the greatest golfers in the world become champion putters and, for the first time, are now available to golfers everywhere.

With everything from true-to-life stories of such greats as Davis Love III, David Duval, and Brad Faxon to dozens of game-changing practice drills, *Putting Out of Your Mind* is the new bible of putting for amateurs and pros alike.
