Simple Wishes Lisa Dale

GOING HOME IS THE LONGEST JOURNEY OF ALL...

Adele Martin couldn't wait to put her lonely childhood and hometown behind her. Amid the bright lights and hustle and bustle of New York, she built a life for herself--until one terrible mistake brought it crashing down. Now Adele is running again, this time to a cottage she inherited from her mother in rural Pennsylvania. And she's about to realize that a small town has more to offer than she ever dreamed.

An artist and woodworker, Jay Westvelt knows a thing or two about living in the country. Adele is intrigued by her mysterious and sexy green-eyed neighbor, a man who took care of her house and soon cares deeply for her. But even as Adele's heart begins to soften toward him, secrets from her mother's past threaten to send her fleeing back to the city. Can Jay convince her to stay with him?

Only if she can learn an important truth: that happiness begins with SIMPLE WISHES.

From reader reviews:

Teresa Raap:

Have you spare time to get a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a wander, shopping, or went to the actual Mall. How about open as well as read a book allowed Simple Wishes? Maybe it is to become best activity for you. You know beside you can spend your time together with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have other opinion?

Darren Billups:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that could give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only the story that share in the publications. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Simple Wishes.

Todd McCrea:

Your reading sixth sense will not betray anyone, why because this Simple Wishes guide written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still doubt Simple Wishes as good book not only by the cover but also by content. This is one publication that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this!?! Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

Alisa Gordon:

Is it you who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Simple Wishes can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these guides have than the others?
