Control is a tricky animal to hold within the confines of a loving relationship. One false move, and it can slip right through your fingers and take the one you love with it... forever. Justin Troy is left with control over absolutely nothing of importance to him as Kirsten searches herself and her 'Perfect World' for her own sense of safety and security. Can Justin and Kirsten's love survive her efforts to cope with the damage left behind by her childhood trauma? Will Justin have to choose between his lifestyle and a life with the woman he loves? Will he even get the opportunity to choose? It's all up to Kirsten to decide... and she's already made her choice... Or has she? Grab a box of tissue as Lourie Nolan takes you on an emotionally charged wade through the final installment of Justin and Kirsten's heart wrenching journey... through The Deep End...
