Sometimes, to come clean, you've got to get your hands dirty ... The first in the Astonvale series.

Celeste Pretty, a self-confessed neat freak, has found the job she was born to do: a professional organiser, de-cluttering people's homes and workplaces. Her new business gets off to a cracking start when she lands her first client, health and fitness guru Natalia Samphire, in the well-heeled suburb of Astonvale. But things get messy at Natalia's mansion when Celeste finds a blackmail note and other mysterious items. And then there's Lenny Muscat, the sexy builder renovating the place, whose constant presence is muddling Celeste's usually organised brain.

When things get decidedly suspicious at the mansion, she and Lenny have to team up to investigate. But will Celeste emerge with her heart and professional reputation unscathed?
