Vicious: The Art of Dying Young Mark Paytress

As one of the first musicians to take punk into the limelight, Sid Vicious became an icon at a very young age. His powerful musical legacy cannot be denied, and neither can the vivid self-destructiveness of his lifestyle, which ended infamously in scandal and suicide. Biographer Mark Paytress documents the meteoric rise and fall of the punk-rock legend, painting a fascinating picture of the star and his times, complete with interviews of those who were there.
