Ryland has risen above his father's control, ready to take his place as his brother's second. However, Sain needs his help first for a simple assignment, or so he thinks.

Their safety is about to be shattered.

A mole behind those safe, Cathedral walls has begun whispering through the survivors that Joclyn is unstable, that her magic is an uncontrollable force that will destroy them all in the end.

Determined not to let the rumors affect her, Joclyn battles ahead, only to have reality and sight intersect in an explosion that shatters the walls between future, past, and present, leaving her imprisoned in a seamless existence she must learn to control ... before Edmund and Ovailia control her.

Before Sain unfurls the plan he has been orchestrating for centuries.
