**El Legado de María Magdalena (Spanish Edition)** José Luis Giménez Rodríguez

¿ Porqué se ha intentado ocultar la evidencia que supuso la casi total exterminación de los “Cátaros” o “Els Bons Homes” o el motivo que más tarde supuso la disolución de la Orden de los Caballeros del Temple, cuyos miembros fueron perseguidos y quemados vivos en la hoguera ?

¿Qué evidencia era tan grave para la Iglesia que haría temblar sus cimientos?

El autor de este libro, ha conseguido descubrir lo que podría suponer la mayor evidencia encontrada hasta ahora, de lo que posiblemente, sea considerada la herejía más perseguida de la historia.

Mucho se ha escrito y comentado sobre la relación de Jesús el Nazareno y Maria Magdalena, cientos de hipótesis han hecho correr ríos de tinta, pero sin embargo, hasta ahora nadie había logrado encontrar una evidencia como la que se muestra en el presente libro. Una historia, que no dejará a nadie indiferente.

“El autor describe como después de recibir una información a través de un enigmático personaje, sobre la figura de María Magdalena, este se ve envuelto en una serie de investigaciones que le llevarán a viajar por casi todo el norte de España y el sur de Francia, hasta encontrar las pruebas o evidencias físicas que demostrarán la verdadera relación de María Magdalena con Jesús.

El lector se adentrará en el siglo I, conocerá de primera mano lo que ocurrió tras la crucifixión de Jesús, conocerá lo que les ocurrió entonces en Palestina a los familiares, amigos y discípulos de Jesús, hasta desembocar en el viaje que llevó a María Magdalena, embarazada de Jesús, hasta la Galia (Sur de Francia).

Por boca de María Magdalena, el lector, conocerá todas aquellas palabras y mensajes de Jesús que la Iglesia ha ocultado y así mismo, conocerá el verdadero mensaje y motivo de la relación de Jesús y María Magdalena.

El autor conjuga el pasado y la historia hasta nuestros días, donde después de exhaustivas investigaciones, conseguirá por fin descubrir las tan buscadas y deseadas evidencias físicas que demuestren la relación marital y descendencia de Jesús y María Magdalena.

Un libro en el que el trabajo expuesto, no dejará a nadie indiferente”.
