"These stories confirm that a mother's nurturing guiding light is always around and is shown to us with the various gifts she leaves behind . . ." — James Van Praagh, author of *Talking to Heaven and Heaven and Earth* A mother comes to her daughter and tells her to wake up and put her seat belt on just minutes before a serious accident almost takes her life . . . a man whose heart stopped is brought back to life only long enough to give another daughter a message from her mother . . . yet another is comforted by a stranger and it is only after seeing a picture of her mother as a teenager that she realizes who her unknown visitor was. . . 70 women, from various backgrounds and beliefs, share their stories in *Feathers Brush My Heart*. The common denominator? Their mothers touched base after they died to let them know that their spirits were alive and well. "Read these wonderful stories and your faith in love will grow. I have been inspired by the truth and power of this book!" — Judith Orloff, M.D., author of *Second Sight* and *Intuitive Healing*
