The Fire service has long been considered a profession plagued with a history of unavoidable tragedy. As the number of line of duty deaths and injuries continues to be staggering year after year, *Fire and Emergency Services Safety and Survival* exposes the false mentality of “doing whatever it takes” and provides solutions for both the individual and fire department. The content developed is based on the 16 Life Safety Initiatives developed by the National Fallen Firefighters Foundation. Under the guidance of an editor, each chapter is written by a contributor with extensive expertise on the topic, and incorporates FESHE and NFPA references guidelines throughout. Complemented by Key Terms and Review Questions as well as a robust supplements package in MyFireKit for both students and instructors, this first edition text focuses on the need for a cultural and behavioral change in the fire and emergency services and asks each reader to challenge the existing attitudes toward safety.

### **From reader reviews:**

#### **Luis Ray:**

A lot of people always spent their free time to vacation or perhaps go to the outside with them family or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you wish to try to find a new activity that is look different you can read a new book. It is really fun for yourself. If you enjoy the book which you read you can spent the entire day to reading a guide. The book Fire and Emergency Services Safety & Survival it is extremely good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space to bring this book you can buy typically the e-book. You can m0ore easily to read this book from the smart phone. The price is not too expensive but this book possesses high quality.

#### **Faye Pearson:**

Your reading 6th sense will not betray you, why because this Fire and Emergency Services Safety & Survival reserve written by well-known writer whose to say well how to make book that may be understand by anyone who read the book. Written with good manner for you, leaking every ideas and creating skill only for eliminate your own hunger then you still doubt Fire and Emergency Services Safety & Survival as good book not only by the cover but also by content. This is one reserve that can break don't determine book by its cover, so do you still needing another sixth sense to pick this specific!? Oh come on your reading sixth sense already alerted you so why you have to listening to another sixth sense.

#### **Marline Deluca:**

Are you kind of hectic person, only have 10 or 15 minute in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your small amount of time to read it because this time you only find reserve that need more time to be learn. Fire and Emergency Services Safety & Survival can be your answer given it can be read by you who have those short free time problems.

#### **Marianne Stromain:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Fire and Emergency Services Safety & Survival can make you experience more interested to read.
