You see them in the corner at weddings, spinning the platters that matter, making the bride and groom happy, they are they DJ. There are many good 'How to' books on being a DJ. This is not one of them. This is the true story of a mobile wedding DJ from Northern Lower Michigan who started from scratch and is still scratching. I'M GETTING A BAD RECEPTION takes you down the rollicking road on how I became a DJ, the perils and pitfalls I encountered along the way as well as some interesting and humorous people and stories thrown in for good measure. The first section is how I got my act together and took it on the road. The second section takes you step by step from my experience at playing for the ceremony, all the way to the end of the night. No party animals were harmed in the making of this publication.
