Kyle Jones always seems to have it together. He is a determined, hard working businessman, quickly climbing the corporate ladder to a life of success and fortune. He has a beautiful wife, and a beautiful life that any man would envy. But there is more brewing under the surface of his happy world than meets the eye.

"A Perfect Day for Rain"

Liana Harris has always avoided love because of the tumultuous home life she experienced growing up as a child. But after allowing herself to be vulnerable in a relationship with her longtime boyfriend, Brian, she is slowly opening up to the possibilities that a marriage may be able to offer. When she attends the wedding of an old friend, one stormy day in May, she is once again faced with all of the misgivings of her past.

"Love's Call"

Kyle Jones, recovering from a messy split from his ex-wife, is convinced by friends to enjoy a singles' cruise to take his mind off of his recent divorce. He is prepared to take his friends' advice to live it up and enjoy his new bachelor status. That is, until he meets Liana Harris.

Liana, whose only reason for attending the singles' cruise is to accompany her friend, is not interested in finding love on her vacation. With her own past relationship issues, she has lost faith in the elusive ideal of love, and avoids anything that bears any resemblance to it.

But Liana and Kyle soon discover that the defenses and walls they have erected don't stand a chance when love calls.
