This is not anything like a baby book. It's a birthday book! It was born from the simple idea that birthdays provide the perfect annual opportunity to preserve a sweet moment in time as your child changes from year to year. From the first birthday to age eighteen, this journal contains space to stick birthday photos, fun and thought-provoking interview questions to ask your kid, and a time-capsule envelope for stashing away birthday cards and other odds and ends that represent each year.
