*(Volume 3 - 2016 Serial Killers Anthology will be released on December 15, 2015)*

Some of the serial killers chosen for this first annual *Serial Killers True Crime Anthology* you might have heard of and we present their tales in new ways. Others have not graced every newspaper, tabloid or television screen and represent tales of true crime horror told in detail for the first time in these pages. Five of true crime's most prolific authors have come together in these pages to present their most compelling cases of serial homicide, famous and not so famous.

**WARNING: This book contains graphic forensic crime scene photos and statements that some may find disturbing.** *"The lambs may have stopped screaming, but Hannibal Lecter has nothing on the very 'real' monsters presented here."*

Serial killers; they cross the bounds of evil. They murder at random without logic or reason other than the one twisting in their sick and evil minds. They are diabolical vile creatures devoid of morality or pity. You will meet a chosen few of them in these pages. We will see that serial killers are roaming among us all, from small towns to big cities. They are not limited to a particular place, gene pool, culture, social class or religion. They are not restricted to any particular demographic, political propensity and they can be of any gender.

"To cover such vast territory of the criminal mind is a credit to the dedication a small group of determined authors who possess a passion in true crime and it is evident in the pages of *Serial Killers True Crime Anthology 2014*, a book you will embrace and come back to repeatedly, I will. I am excitedly anticipating volume two next year." - **John Douglas, FBI Profiler bestseller author of *Mind Hunter***

"What a great line up of true crime authors! A must have for fans of true crime stories or those who write mystery and suspense as a means of research." --- **Tori Scott, bestselling author**

"The first annual Anthology is fraught with invaluable information and detail for those who want to have a better understanding of the criminal mind. This book is a must read for true crime buffs." - **Joe Bruno, true crime writer and historian**

"The *SERIAL KILLERS TRUE CRIME ANTHOLOGY 2014* proves once and for all that truth isn't just stranger than fiction, it's also plenty scarier. This thorough treatise on a truly terrifying subject is as chilling and stomach-churning as it is relevant and timely. The contributors have fashioned a mind-numbing, masterful work that's destined to become a classic.
