Don't Look Back Jennifer L. Armentrout

Samantha is a stranger in her own life. Until the night she disappeared with her best friend, Cassie, everyone said Sam had it all-popularity, wealth, and a dream boyfriend.

Sam has resurfaced, but she has no recollection of who she was or what happened to her that night. As she tries to piece together her life from before, she realizes it's one she no longer wants any part of. The old Sam took "mean girl" to a whole new level, and it's clear she and Cassie were more like best enemies. Sam is pretty sure that losing her memories is like winning the lottery. She's getting a second chance at being a better daughter, sister, and friend, and she's falling hard for Carson Ortiz, a boy who has always looked out for her-even if the old Sam treated him like trash.

But Cassie is still missing, and the facts about what happened to her that night aren't just buried deep inside of Sam's memory-someone else knows, someone who wants to make sure Sam stays quiet. All Sam wants is the truth, and if she can unlock her clouded memories of that fateful night, she can finally move on. But what if *not* remembering is the only thing keeping Sam alive?

From reader reviews:

Jessica Peacock:

What do you regarding book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. The doctor has to answer that question simply because just their can do that. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this particular Don't Look Back to read.

Ernesto Harrell:

Do you have something that you prefer such as book? The book lovers usually prefer to choose book like comic, short story and the biggest one is novel. Now, why not trying Don't Look Back that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the method for people to know world far better then how they react when it comes to the world. It can't be stated constantly that reading habit only for the geeky particular person but for all of you who wants to end up being success person. So , for all you who want to start looking at as your good habit, you may pick Don't Look Back become your own personal starter.

Alice Hille:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV all day long. You can have new activity to pay your whole day by examining a book. Ugh, think reading a book will surely hard because you have to accept the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like Don't Look Back which is keeping the e-book version. So , try out this book? Let's observe.

Shelly Reder:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Don't Look Back can make you really feel more interested to read.
