Just a Couple of Days

Tony Vigorito

Just a Couple of Days Tony Vigorito

"May be the most unusual, the most original novel I have ever read." --TOM ROBBINS

"A lyrical, thoughtful, viral meme of a book. Read it!" --CHRISTOPHER MOORE

Join cult favorite Tony Vigorito in his award-winning underground sensation chronicling the party at the end of time. A mischievous artist kicks off a game of graffiti tag on a local overpass by painting the simple phrase, "Uh-oh." An anonymous interlocutor writes back: "When?" Someone slyly answers: "Just a couple of days." But what happens in just a couple of days? Professor Blip Korterly is arrested, his friend Dr. Flake Fountain is drafted into a shadow-government research project to develop the ultimate biological weapon, and an accidental outbreak turns into a merry-hearted, babble-inducing apocalypse that will either destroy humankind or take it to the next step in evolution.

"Vigorito's... irreverent, whimsical style...has attracted a cult following... The final apocalyptic vision is a twist not seen since **Kurt Vonnegut's** *Cat's Cradle*. Recommended." --*Library Journal*

Try to make relationship with all the book Just a Couple of Days. You never sense lose out for everything should you read some books.

Sharon Novick:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want experience happy read one having theme for entertaining for example comic or novel. The particular Just a Couple of Days is kind of guide which is giving the reader unpredictable experience.

Scott Hagen:

The guide with title Just a Couple of Days possesses a lot of information that you can understand it. You can get a lot of gain after read this book. This book exist new expertise the information that exist in this e-book represented the condition of the world currently. That is important to yo7u to be aware of how the improvement of the world. That book will bring you within new era of the glowbal growth. You can read the e-book on your smart phone, so you can read the idea anywhere you want.

Eulalia Perry:

This Just a Couple of Days is great publication for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. That book reveal it data accurately using great plan word or we can say no rambling sentences inside. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having Just a Couple of Days in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen small right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt that?
