**Engaging Faith in the World: Exploring Catholic Social Teaching and Global Solidarity** Katherine Feely

Make Catholic social teaching and theology classes come alive through encounters with the global world we live in. This text will equip teachers with a new resource on global solidarity, which includes dynamic lesson plans, resources, activities, and ways to pray that will help connect your students to the wider world around them. Catholic social teaching provides countless points of entry into helping students make connections between the local and the global.

Our titles help all catholic educators and administrators have the professional resources to meet the highest standards of excellence in Catholic education. We provide resources for school, parish, diocesan offices, professional organizations and higher education institutions.

Some of the areas we publish in include:

Administration and Planning

Classroom Materials
