It is a rarely discussed fact of history that the premise of Darwinian evolution has been deeply rooted in the worst racist ideology since its inception. Read a thorough account of the effects of evolution on the history of the United States and discrimination based on ethnicity, including slavery and the Civil rights movement. *One Race One Blood* goes one step farther to show the global harvest of death and tragedy that still finds its roots in Darwin's destructive writings.

The tragic legacy of Darwin's controversial speculations on evolution has led to terrible consequences taken to the deadliest extremes. *One Race One Blood* reveals the origins of these horrors, as well as the proof revealed in Scripture that God created only one race.

You will discover:

- Nazi Germany used evolutionary concepts to justify the extermination of "unfit" people groups such as Jews, Gypsies, and Slavs
- The origins of people groups, the genetics of skin color, and what the Bible says about "interracial" marriage
- Eye-opening discussion on racism and its roots in the hearts and minds of millions still today.

Within these compelling pages, Dr. A. Charles Ware, president of Crossroads Bible College, and Ken Ham, president of Answers in Genesis examine the historical roots of racism that have permeated evolutionary thought, and the Bible's response to this disturbing issue. This is a crucial and timely study that profoundly addresses the Christian worldview regarding "race" from a compassionate and uniquely compelling perspective.
