This book is a real life situation epic, an inspiring, educative, and life changing novel. It is a story about real friendship, love, betrayal and the most desired reconciliation. Angel got married at long last to her childhood sweetheart who later impregnated another woman. Vivian was the reckless, materialistic mother who abandoned her home for adulterous greener pastures but ended up in prison. Sandra was the sad childless woman who was desperate for a child and thought she was barren until it was discovered that her husband was impotent. Please join me on this journey as we discover what it could take to be a woman. The stories of these three gorgeous women will shock, amaze and thrill you and may your heart sing for relief at the “happily ever after” endings as friends and couples reconciled.
