## **Board of Certification Study Guide for Clinical Laboratory Certification Examinations, 5th Edition (BOR Study Guides)** Patricia Tanabe, E. Blair Holladay

The 5th edition of The ASCP Board of Certification Study Guide the authoritative study tool for preparing for the ASCP Board of Certification (BOC) Medical Laboratory Scientist (MLS) and Medical Laboratory Technician (MLT) certification examinations has been updated and expanded to include new sections on molecular pathology, lab information, safety, answers and explanations for each question, and much more.

More than 2,000 multiple-choice questions are presented in a format and style similar to those on the actual BOC certification examination. They re also organized within the chapters to correspond to the major content areas on the examination.

- Each practice question includes an answer and a brief explanation, with suggestions for additional information sources for more information
- Note at a glance whether a question is appropriate for both MT/MLS and MLT levels or MT/MLS only
- Zero in on a specific topic within a chapter and access questions that relate to that topic
- Questions with images appear as they would on the exam
