Climbers come from all over the world to experience the magic and beauty of climbing at southern Nevada's Red Rocks, but often they only have a few days to climb and don't want to invest in a huge guidebook. That's why Todd Swain, author of the bestselling *Rock Climbing Red Rocks*, has taken the "best of the best" out of that volume and put it into this smaller book -- which sells for less than half the cover price. Perfectly suited to the traveling climber on a tight budget, this book provides information on 200 classic climbs, from one pitch clip-ups in The Gallery to multipitch routes in Black Velvet Canyon.

Long-time climber Todd Swain has authored guidebooks to Red Rocks in Nevada and the Shawangunks in New York.
