## **Marching Toward Hell: America and Islam After Iraq** Michael Scheuer

Michael Scheuer is the author of *Imperial Hubris*, which was a New York Times hardcover bestseller for fifteen weeks and stirred up attention in every national and local media outlet. He is a veteran CIA counterterrorism analyst who for many years headed the Osama bin Laden unit. In *Marching Toward Hell*, Scheuer offers a scathing and frightening look at how the Iraq war has contributed to the enemy's strength and fundamentally changed the geopolitical landscape in a way that is harmful to U.S. interests and security concerns. Scheuer will examine the ways in which the war has widened the conflict by almost every measure, made America less secure, and left us all increasingly vulnerable to attack.
