**Shadowheart (Shadowmarch)** Tad Williams

**"When it comes to inventing new worlds, he's as skilled as J.R.R. Tolkien and Frank Herbert." - Christopher Paolini, bestselling author of *Eragon*.**

Southmarch Castle is about to be caught between two implacable enemies, the ancient, immortal Qar and the insane god-king, the Autarch of Xis. Meanwhile, its two young defenders, Princess Briony and Prince Barrick, are both trapped far away from home and fighting for their lives.

And now, something is awakening underneath Southmarch Castle, something powerful and terrible that the world has not seen for thousands of years. Can Barrick and Briony, along with a tiny handful of allies, ordinary and extraordinary, find a way to save their world and prevent the rise of a terrible new age-an age of unending darkness?
