2016 Junior Library Guild Selection

She's with the band, whether she likes it or not.

Victoria Mahler is the sixteen-year-old only daughter of rocker Micky Wayne, whose band, Dusty Moon, took the world by storm when Micky was just a teenager. The band broke up under mysterious circumstances, but, after years spent off the road being a mom, Micky's solo career is finally starting to take off.

When an offer to tour Japan falls into her mom's lap, Vic is left to spend the summer under the care of her distant grandmother, and without her built-in best friend. Fortunately, a boy with a secret geek side and a group of feminist game-makers save the season, and Vic starts to see herself as her own person, out from under her mother's shadow.

But when Micky finally comes home — with a poorly chosen boyfriend in tow — all bets are off. Will Vic be able to maintain her newfound sense of self amidst the building thunder of Micky's second chance at stardom? And through it all, will Micky still really be her best friend?

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Under the Dusty Moon can make you really feel more interested to read.
