It's been four months since Alex gave everything to save Jessica. Life should be perfect; she has Alex, she's been freed of the nightmares, and most of all- she's alive. But some things have changed, some things haven't. That's the problem. Alex still hasn't asked "the question". Jessica can't see the reason why and it's tearing her apart. He's keeping something from her. Alex isn't the only one who has changed though. Something is different about Jessica but she doesn't understand what's happened. She just knows something's wrong, that she feels different than she used to, on a skin deep level. And it may keep her and Alex apart. Forever. But while Alex and Jessica struggle to stay together, Cole is not about to be forgotten. There are a few things he didn't tell Jessica, about his past and her future. There are reasons why he came after her, reasons that are tied to his history that is darker than she could have ever realized.
