## Grace & Style: The Art of Pretending You Have It Grace Helbig

From the #1 *New York Times* bestselling author of *Grace's Guide* and the host of *The Grace Helbig Show* on E! comes a beautifully illustrated, tongue-in-cheek book about style that lampoons fashion and beauty guides while offering practical advice in Grace Helbig's trademark sweet and irreverent voice.

It's clear to see I'm a style icon; remember, you can't spell icon without "con."

I love clothes, accessories, and makeup as much as the next lady, man, French bulldog in a sweater, or child whose parents dressed her in a couture Halloween costume, but telling people how they should look doesn't suit me (clothes pun!). I have no authority in that department (I barely even shop in department stores). Instead this is a look at my own silly and nonsensical approach to style, and I promise only some of it is about sweatpants. This book is one part entertainment, one part irreverent fashion fun, and one part personal experience, including:

- My closet staples and jewelry MVPs, and what's actually in my makeup bag
- All about BLTs and BFFS...that is, Better-Looking T-Shirts and Best Feet Friends
- The bad-hair-day character wheel
- The Ten Commandments of online shopping
- A handy flowchart to help you decide "Should I actually buy this?"
- Red-carpet ridiculousness
- Grace Expectations: What your denim says about you
- And MORE!

I'm not stylish—I'm self-aware. I'm not polished—I'm perceptive. I'm not trendy—but I love trying. Because when it comes down to it, "style" is just a simple way of saying "I showered."
