Star Trek Memories

William Shatner, Chris Kreski

Star Trek Memories William Shatner, Chris Kreski

A living pop culture legend and one of American film and television's most enduring stars, William Shatner will forever be associated with the role of James T. Kirk, captain of the starship *Enterprise*. *Star Trek Memories* is Shatner's classic behind-the-scenes look at the legendary series that continues to put forth movies, books, and series spin-offs decades after the last episode aired. A television phenomenon that suffered from shaky ratings from its first broadcast in 1966 through its entire run, *Star Trek* nevertheless exploded into a worldwide, billion-dollar industry. Avid Trekkers who were onboard at the launch, as well as fans of the later Trek incarnations, will be delighted with this eye-opening, eminently fascinating "captain's log" from James Kirk himself.

From reader reviews:

Allen Mullinax:

What do you ponder on book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby for each and every other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book Star Trek Memories. All type of book is it possible to see on many resources. You can look for the internet sources or other social media.

Maria Antoine:

In this 21st millennium, people become competitive in every single way. By being competitive currently, people have do something to make these survives, being in the middle of the crowded place and notice simply by surrounding. One thing that at times many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive increase then having chance to stand than other is high. For you who want to start reading any book, we give you this specific Star Trek Memories book as starter and daily reading book. Why, because this book is greater than just a book.

Joshua McIntosh:

The publication with title Star Trek Memories contains a lot of information that you can study it. You can get a lot of advantage after read this book. This kind of book exist new expertise the information that exist in this guide represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This kind of book will bring you throughout new era of the the positive effect. You can read the e-book with your smart phone, so you can read that anywhere you want.

Laura Dumas:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Star Trek Memories can make you feel more interested to read.
