*Too Close for Comfort* is a collection of biographical anecdotes that highlight mostly humorous moments in the life of a born Hoosier and his network of friends and family. It is not a book written for the masses but rather a scrapbook of narratives that will appeal to those with a taste for honest humor and mostly benign real life mischief of the seemingly well-adjusted neighbor next door. *Too Close for Comfort* will also appeal to local historians and folklorists of the Hoosier state, and particularly those of Monroe and Owen Counties, with its personal narratives that offer glimpses into the post-war life of the region through the eyes of a native.
