Box up & save!!

Includes volumes 1-3 and After the Internship (a continuation novella)

Over 140,000 words and 830 paperback pages.

Vol. 1

She's sexy, fierce, and a loud-mouthed know-it-all...and she's completely off limits.

Cecilia isn't your typical college student. Hell, she isn't a college student at all, but that doesn't stop her from applying for one of the biggest and prestigious enterprises in the Midwest.

She wants it. She takes it.

She doesn't let anything get in her way when it comes to finding out the truth.

When Bentley Leighton, soon-to-be CEO of Leighton Enterprises, meets "Ceci," he's instantly impressed. He doesn't have time to train a new intern. However, when he sees her that first day, his intentions begin to change.

He's the boss. She's the intern.

Nothing can happen. It's against the company rules.

Then again, some rules were made to be broken.

What starts as innocent flirting becomes raveled up into so much more--secrets, lies, deceit.

Vol. 2

My cock noticed her before I did.

She came out of nowhere.

Completely unexpected.

And I let her in...*unwillingly*.

But she gave me no choice.

She sledgehammered my thick walls, leaving me charmed by her knowledge, and seduced by her beauty.

I was captivated.

And now...it was about to tumble down in a tsunami of lies.

Uncertainty riveted my core as my anger spread...she was impossible to forget.

After all, she was still my intern.

Forbidden.

Lust.

Betrayal.

I felt all of those things for her at once. But only one would *destroy* us.

Vol. 3

I should've known.

I should've listened to my gut.

But I didn't.

I listened with the wrong head.

And where did it get me?

Secrets.

Lies.

Deceit.

She embodied them all.

Deceived her way into my company.

Lied about who she was.

Kept secrets from me after convincing me I could trust her.

Those walls she tore down are back up in full force.

Cold.

Angry.

Unforgiving.

She was no longer my intern.

She was no longer *mine*.

After the Internship: A continuation novella

Sometimes happily ever after isn't quite what it seems.

Bentley and Ceci thought they had their happy ending, but not everything or everyone will be as it seems.

Fortune and fame have a price, and when the past comes back to ruin their perfectly, stable family, how will they recover their once epic love story?

You thought their story was over, but it was only the *beginning*.

Due to mature content such as strong language and explicit sexual context, not recommended for readers under 18.
