## **The Quest for Justice** Ken Crispin

Enlightening and thought-provoking, this volume considers the strengths and weaknesses of the Australian legal system with clarity and compassion. A definitive guide to the justice system, this account answers questions such as *What is justice? How does the Australian legal system work?* and *How can a system that is so changeable and widely criticized be trusted?* Written from the perspective of someone who has been on both sides of the bar, this informative handbook suggests that current legal approaches are contributing to Australia's social problems and argues that there is an immediate need for change.

#### **Michael Albin:**

That book can make you to feel relax. This book The Quest for Justice was colorful and of course has pictures on there. As we know that book The Quest for Justice has many kinds or type. Start from kids until teens. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading this.

#### **Dena Jacobs:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Quest for Justice can make you really feel more interested to read.

#### **Betty Williams:**

What is your hobby? Have you heard in which question when you got scholars? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And also you know that little person such as reading or as studying become their hobby. You need to know that reading is very important and also book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You get good news or update with regards to something by book. Many kinds of books that can you choose to use be your object. One of them is The Quest for Justice.
