## **Bearded Lady (Kindle Single)** Mara Altman

Mara Altman, author of the bestselling Kindle Single "Sparkle," returns to top comic form to address the problem every woman faces but no woman wants to acknowledge: facial and body hair. Her brave, witty memoir gives readers a rare, honest glimpse into the hidden world of lasers and razors. It begins in childhood, when Altman discovers that hair sometimes grows in unexpected places -- and that it's best to remove it immediately, or risk ridicule from 8th-grade girls. It continues into early adulthood, when romantically-inclined men make offhand remarks about her fine coating of fur. From there it's a hilarious, heartfelt journey from Barcelona to Bangkok in search of a cure, an explanation, and the perfect pair of tweezers.

After graduating from the Columbia University Graduate School of Journalism, Mara Altman worked as a staff writer for The Village Voice until 2007. In 2009, HarperCollins published Altman's first book, *Thanks For Coming: A Young Woman's Quest for an Orgasm*, which was optioned as a comedy series by HBO. She has also written for New York Magazine and The New York Times.
