The last man she ever wanted to see...

Evie Baker's luck just ran out. A trained chef, she's now working in her mother's salon as a shampoo girl after a disastrous affair with an embezzling accountant cost her her business. Her luck can't possibly get any worse...

Or can it? Her baby sister is suddenly missing, someone just might be shooting at her, and the only man big enough and bad enough to help is the high school heartthrob who stole her heart--and her virginity--before he joined the military and left her to pick up the pieces of her life.

Might be the only one who can save her...

Special Operations Captain Matt "Richie Rich" Girard can't afford to get involved. He's already on the verge of a court-martial after a Top Secret military operation gone wrong, and he's been ordered to stay out of trouble while he's home for his sister's wedding.

But when Evie's ex-partner turns up dead, staying out of trouble is the last thing on Matt's mind. If he's going to protect her from a ruthless killer and find her sister before time runs out, he'll have to risk his entire future--and both their lives--to do it.

Things are about to get HOT in the bayou!
