Poisonous: A Novel (Max Revere Novels) Allison Brennan

Teen-aged Internet bully Ivy Lake fell off a cliff and few people cared ... except her mentally-challenged eighteen-year-old step-brother, Tommy. He loved her in spite of her cruelty. He's distraught and doesn't understand why his blended family is falling apart. After a year, the police still have no answers: Ivy could have jumped, could have been pushed, or it could have been an accident. With too many suspects and not enough evidence, the investigation has grown cold.

Tommy thinks that if someone can figure out what happened to his step-sister, everything will go back to normal, so he writes to investigative reporter Maxine Revere. This isn't the type of case Max normally takes on, but the heartbreak and simple honesty in Tommy's letter pulls her in. She travels to Corte Madera, California, with her assistant David Kane and is at first pleased that the police are cooperative. But the more Max learns about Tommy and his dysfunctional family, the more she thinks she's taken on an impossible task: this may be the one case she can't solve.

If Ivy was murdered, it was exceptionally well-planned and that kind of killer could be hiding in plain sight ... planning the next act of violence. Max believes the truth is always better than lies, that the truth is the only thing that matters to gain justice for victims and their families. But for the first time, she wonders if this time, the truth will kill.

Poisonous is the latest in the electrifying Max Revere series from *New York Times* bestselling author Allison Brennan.

From reader reviews:

Paul Howard:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is in the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Poisonous: A Novel (Max Revere Novels) as your daily resource information.

Wayne Millican:

Your reading 6th sense will not betray anyone, why because this Poisonous: A Novel (Max Revere Novels) book written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your hunger then you still uncertainty Poisonous: A Novel (Max Revere Novels) as good book not merely by the cover but also through the content. This is one e-book that can break don't ascertain book by its include, so do you still needing yet another sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.

Maude Porter:

In this period of time globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The health of the world makes the information better to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher this print many kinds of book. The actual book that recommended for your requirements is Poisonous: A Novel (Max Revere Novels) this e-book consist a lot of the information with the condition of this world now. This book was represented how do the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The actual writer made some study when he makes this book. That is why this book ideal all of you.

Earnest Koontz:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Poisonous: A Novel (Max Revere Novels) can make you truly feel more interested to read.
