A thematic reader of unmatched breadth and balance, with a broad range of ideas

To write effectively, students must first be able to read actively and critically—and *The Blair Reader's* selection of readings supports this approach. Classic and contemporary selections stimulate class discussion, encouraging readers to discover new ideas and to view familiar ideas in new ways. The readings represent diverse ideas and genres; students will read essays, speeches, and short stories. Every selection is followed by questions to promote critical thinking and response about the reading and the theme, both to complement the readings and to support classroom instruction.

Personalize learning with MyWritingLab™

MyWritingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. In addition to the full eText, activities directly from the text are available within MyWritingLab. These include the readings from the text, review exercises, and more.
