## Little Polar Bear (Look at Me Books)

Barron's growing series of *Look at Me* board books for preschool children tell stories about baby animals and their mothers. In each tale the mother animal takes care of her baby and keeps him out of trouble. The simple but true-to-nature stories of animals tending their babies are complemented with vivid, full-color illustrations on every page. The animals are handsomely rendered in a naturalistic style and placed in realistic, detail-filled settings.
