I'm at his mercy...

Blazing hot, inked, and filthy. Mason is every naughty girl's fantasy.

His dark eyes watch me with a hunger. The way his rough hands hold me down... his soft lips on mine. He taught me how to use my body in ways I never thought possible.

But he's also my captor.

I swore I'd never get in the middle of this MC war. But I had no choice. Mason is going to use me to win. What a f*cking prick.

I'm falling for him hard but he doesn't give a sh*t about me. Only his MC. I need to escape before I'm too far gone...

This is a standalone novel with a HEA! As a special bonus, this book comes with the rest of the Black Widow series: complete versions of Tanner and Caleb!
