Spiritual Telepathy: Ancient Techniques to Access the Wisdom of Your Soul Colleen Mauro

Colleen Mauro founded *Intuition: A Magazine for the Higher Potential of the Mind* to introduce readers to the emerging field of intuition development. In her new book, she takes readers beyond the intuition basics and introduces them to the next step--a more advanced form of intuitive perception called spiritual telepathy.

This book provides the ancient mind-training techniques that will allow you to access the wisdom and guidance of your own soul. These techniques, once taught in the ancient mystery schools come from a body of knowledge called the Ageless Wisdom.

The Wisdom teachings tell us that the soul is our gateway to the higher worlds. Through the soul, we have access to the universal or divine mind where information on all subjects can be found. In the past, it's been only the "special" people--our saints, shamans and spiritual leaders--who have had access to the higher worlds. Colleen assures us that we can all gain access to that universal wellspring of inspiration and knowledge.
