# The Tesserene Imperative: Book Two of The Imperative Chronicles

*Mark Terence Chapman*

**The Tesserene Imperative: Book Two of The Imperative Chronicles** Mark Terence Chapman  
By the author of the former #1 bestselling Military Sci-Fi novel on Amazon (*My Other Car is a Spaceship*).

It was supposed to be a routine mission, but in a deep-space asteroid belt nothing is routine.

When prospecting ship Shamu is nearly destroyed, the crew of five is left with three days of air, little water, a smashed starflight drive, and no hope of rescue. It will take every ounce of ingenuity and stubborn pigheadedness they possess to find a way to survive.

In the shadows of a small moon, an amazing discovery awaits that could lead to first contact. Will it open the galaxy to human exploration, or doom mankind to extinction?

Despite being part of a series (The Imperative Chronicles), *THE MARS IMPERATIVE* (Book One) and *THE TESSERENE IMPERATIVE* (Book Two) can be read in either order, or individually. They are complete, loosely related, stand-alone stories, along the lines of McCaffrey's Brainship series or Saberhagen's Berserker series. You don't necessarily have to read both—but, of course, you'll want to! For more about the author and his books, see his website at <http://MarkTerenceChapman-Author.com> or his blog at <http://tesserene.blogspot.com>.
