The Wrong Husband

What's a woman to do when she marries the wrong man? When the reality is, she should have married her husband's best friend?

Sassi appeared to have it all. A career, two beautiful kids, and an amazing husband to match.

Then why was she so unhappy?

For Sassi, something had always been missing in her marriage but she'd learned to deal with it. She was unhappy, but she was content. She was unsatisfied, but she was comfortable. And she loved her husband enough to try to see their marriage through to the end. But just because a woman is smiling, that doesn't mean that she's happy.

Secrets are only as quiet as they are kept and when secrets from the past start to reveal, she discovers that she may have fallen for the wrong man all along.

Things get sticky and soon Sassi finds herself in love with two men.

Her husband and his best friend.

But the grass isn't always greener on the other side because everyone always has something to hide.

Revenge is a dish best served cold and with lies and secrets, and a scoop of betrayal from the start. Sassi will learn the true meaning of "Til' death do us part."
