Desperate homeless kids or the blood drinking undead? At the End of Church Street takes you to the forgotten that huddle in the shadows of a tourist wonderland. The Vampires of Orlando. Discarded and starving, Rebecca joins her new family and is reborn. As a Goth, she soon revels in the lifestyle of 'no rules'. Love whoever you want. Seek whatever high you wish. Live forever young. Every night is an adventure-hunting down tourists, challenging the local police, screaming to the world vampires really exist. They finally get the television coverage they crave to ensure the respect they've been denied. It's Neverland. ...Until the first murder. There's someone else hiding in the darkness. Goth kids are found beheaded with wooden stakes pounded through their chests. The hunters have become the hunted. As the bodies pile up, Rebecca and the Family are forced to ask 'Who do you turn to, who can you trust, when the only person who believes you're an actual vampire is a vampire killer?' This is not your father's Nosferatu. This is not teen romance disguised as horror with prom date vampires. Welcome to a world you already know. Welcome to the world at the end of Church Street.
